Suzy 001 Suzy 002 Suzy 003

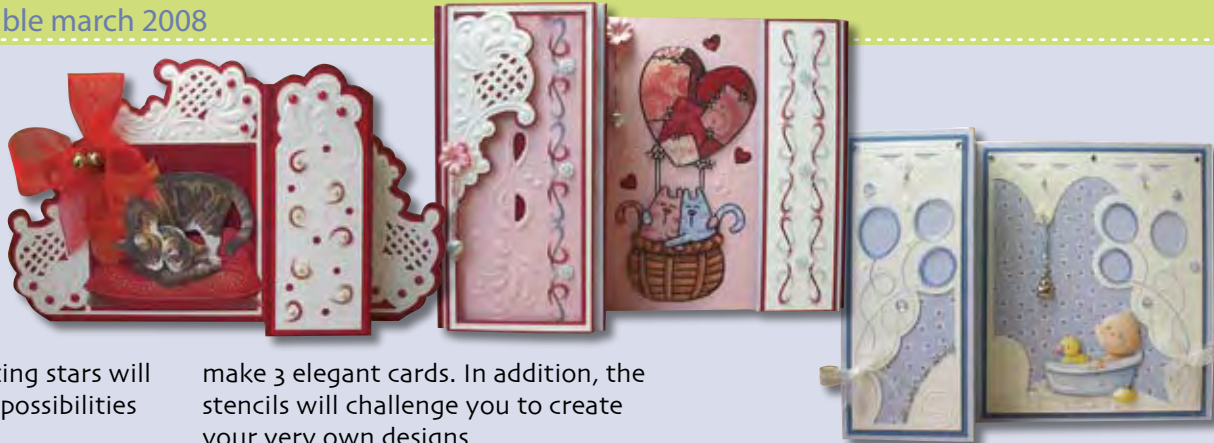

Beautiful stencils with elegant designs, perfect for crafters who prefer to use complete designs. Instructions to make the example card are printed on the

package. The stencils have been designed to fit a special card shape, but they can of course also be used on other types of cards.

**Star Collection:** available march 2008

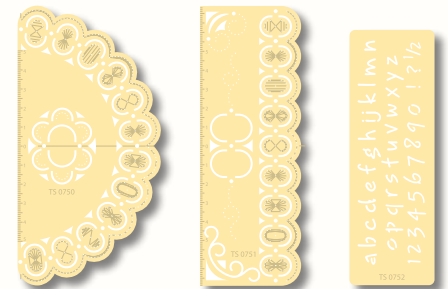

PD0001 PD0002

The name says it all: crafting stars will continually discover new possibilities while using these stencils. Each package contains instructions to

make 3 elegant cards. In addition, the stencils will challenge you to create your very own designs.

**Text Stencils:** available march 2008

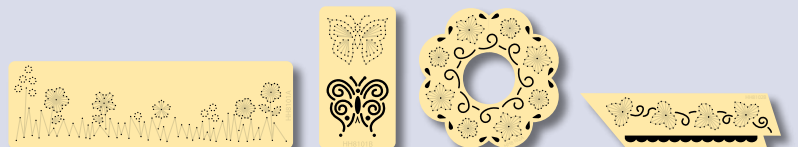

TS0750 TS0751 TS0752

Make your own text using the spaces that can be embossed and cut out. Use the embroidery patterns to fill the open spaces. A complementary

alphabet stencil is available, but peel-off letters can also be used. Suitable for all occasions!

**Home sweet home:** available march 2008

HH8101A/B HH8102A/B

The patterns for the house and the birdhouse are included in the package. Each package contains 2 metal stencils to decorate the houses with (embossing-cutting-embroidery). By choosing the right pictures you can make a house of birth, a party house, a new house and so on.

The decoupage sheets can be combined with any stencil, so every crafter can make cards in her own style.
