Dear Paper-Crafters,

We are pleased to announce our annual paper crafting festival will be taking place this year on Friday October the 19th and Saturday October the 20th. This year we are featuring a Christmas theme which we have never done before, it will give everyone a chance to come out and see our full selection of holiday items, participate in some unique classes, and hopefully get inspired! We will still of course have all our non holiday items on display too!

This years festival is also a little different from festivals in the past as it will be taking place in two locations, that are fortunately not too far from each other. All our classes will be taking place at The Ramada as usual, along with a display of sample cards, and the free make it/take its. What has changed is that all of our products available for purchasing will be on display at Ecstasy Crafts in Shannonville. We invite everyone to come out and see our new showroom that we have been working so hard to complete. It will be set up so everything is on display and shopping will be easy!

We hope to see everyone in the fall at the festival!
